

Flexible floor space seamlessly connecting to the trackside lawns and Theatre of the Horse

KENSINGTON ROOM GRANDSTAND (GROUND FLOOR)

The ground level of the Grandstand (opened April 2013) is a state of the art facility with full WiFi connectivity throughout. With more than 2,100m² of flexible floor space seamlessly connecting to the front lawn and Theatre of the Horse, the area is guaranteed to meet the demands of exhibitions, product launches and corporate family days. The two internal super screens and the ability to conceal the race day wagering outlets will enhance any event experience.
