

JOIN US IN SYDNEY FOR THE NUMBER ONE ART AND FRAMING INDUSTRY EVENT!

LOCATION & VENUE

After positive feedback from both exhibitors and visitors, the decision was made for the event to return to the venue at Royal Randwick, Sydney, offering a central location with easy access, free parking, and spacious, light-filled buildings and grounds.

WORKSHOPS & SEMINARS

In previous events a key attraction of the show has been the education and workshop program, which will continue to be a priority for organisers this year. More news regarding the seminars and workshops will be announced closer to the show, but it is already shaping up to being an exciting program of events!

An event eagerly anticipated by the Australian art and framing industry, the next Art and Frame Trade Fair is coming up this year on August 11-13, 2017 in Sydney!

INDUSTRY SHOWCASE

This major industry event is held every two years and attracts a large number of visitors from across Australia and overseas. The trade exhibition includes the major suppliers to the industry with a wide range of products and services featured, including framing, printing, conservation and display materials and technologies. Many visitors use the event as an opportunity to research new machinery, supplies, and production methods.
